Permission to Administer Medication

Dear Parent/Guardian,

To request that your child receive medication during school hours, the state department requires a permission form to be completed and returned to the school.

Any medication given at school **Must be in the original prescription container**, with the dosage and administration directions included. By law, we are not permitted to give over the counter medications **Unless they are accompanied by a doctor's prescription**. They also must be in the original container.

Please complete the information below and return it to school with your child's medication. If you have any questions concerning this form, please feel free to contact me at 814-685-3866 ext 1107.

Sincerely,

Beth Lick, RN

School Nurse
