

Forbes Road Elementary School

New Student Registration Checklist

Hello!

Welcome to Forbes Road School District! The Pennsylvania State Department of Health requires students to have up-to-date immunizations, and physical and dental examinations upon school entry. This packet contains the information and necessary paperwork to be completed and returned to the Forbes Road Health room prior to the first day of school. Below is a checklist to assist you in completing all the necessary paperwork. Please feel free to contact me if you have any questions.

Thank you for your time,

Beth Locke, RN BSN
School Nurse
