Dear Forbes Road School District Parents and Guardians:

The Forbes Road School District has installed a visitor management software program at each of its schools for the purpose of enhancing school security. **The Forbes Road School District will be implementing the use of School Gate Guardian effective on Monday, October 18, 2021.**

School Gate Guardian is a school visitor management program that will require all visitors to present a valid driver's license or other state-issued identification upon arrival at the entrance to the schools. Once the visitor's ID is scanned and checked against several databases, including the National Sex Offender database, visitors will receive a temporary visitor's badge in order to enter the building from the school lobby. Protocol is in place for those who might not have a state issued identification. The system can complete this scan in under one minute. Please make sure to bring your driver's license or other state-issued identification when you plan to visit FRSD before or during regular school hours. Parents and guardians entering the school lobby to pick up students for early dismissals, drop off lunch money, etc. will not be required to provide ID. Only visitors going beyond the school office will be required to be processed by School Gate Guardian.

Tim Cummings

Forbes Road School District Police
